U.S. Probation Officer Action:

While the probation office is discouraged by Collier's actions, we are requesting an opportunity to address his noncompliance internally. He will be enrolled in Moral Reconnection Therapy (a cognitive/behavioral enrichment program) and given a life skills home study workbook designed to teach cognitive skills to become chemically free. The previously granted early termination of supervised release is vacated and the originally scheduled expiration of supervision is re-instated (February 17, 2016). If Your Honor agrees with our plan, the probation office will also present a copy of this order to the offender as a formal written reprimand. We will advise the Court of any additional instances of noncompliance.

Respectfully submitted,

By: Jamel H. Dorsey
U.S. Probation Officer

Date: 11/12/14

The Court's endorsement of this petition will serve as an official written reprimand to the offender unless the Court directs that alternative action be taken as follows:

- ☐ Submit a Request for Modifying the Conditions or Term of Supervision
☐ Submit a Request for Warrant or Summons
☒ Other - The originally scheduled expiration of supervised release is re-imposed (February 17, 2016)
